INTERNATIONAL A-LEVEL PSYCHOLOGY

Unit 4 Approaches and application

Friday 13 June 2025

07:00 GMT

Time allowed: 1 hour 30 minutes

Materials

For this paper you must have:

- a calculator, which you are expected to use where appropriate.

Instructions

- Use black ink or black ball-point pen.
- Fill in the boxes at the top of this page.
- Answer **all** questions.
- You must answer the questions in the spaces provided. Do not write outside the box around each page or on blank pages.
- All working must be shown.
- If you need extra space for your answer(s), use the lined pages at the end of this book. Write the question number against your answer(s).
- Do all rough work in this book. Cross through any work you do not want to be marked.

Information

- The marks for questions are shown in brackets.
- The maximum mark for this paper is 90.

Section B: Issues and Debates in Psychology

Answer **all** questions in the spaces provided.

0	6
---	---

Tariq says, "Psychology should be about finding causes for human behaviour so that laws can be identified."

Etta says, "I disagree. We have many opportunities to choose when and how we should do something. Looking for general laws is a waste of time."

Using your knowledge of free will and determinism, explain Tariq's comments and Etta's comments.

[4 marks]

Discuss the suggestion that our behaviour is best explained by our nature rather than our nurture. Refer to examples from psychology in your answer.

---	---

What is meant by need theory?

[2 marks]

1	2
---	---

Briefly explain **one** strength **and one** limitation of need theory.

[4 marks]

1 3 . 1

Maria is on a school visit to a factory that makes cakes. There are 150 students on the visit, all wearing their school uniform. At the end of the visit, there is a table with small cakes on it and a sign saying, 'Please take one free cake.' Maria notices that she is alone at the table and she takes two cakes.

Using your knowledge of deindividuation, explain why Maria takes two cakes.

[3 marks]

1 3 . 2

On the bus, on the way home from the cake factory, Maria's friends are singing loudly. Maria thinks the behaviour of her friends is wrong, but she joins in and sings loudly.

Using your knowledge of social identity theory, explain why Maria joins in and sings loudly.
