Section A: Memory

Answer **all** questions in the spaces provided.

Only **one** answer per question is allowed.

For each answer completely fill in the circle alongside the appropriate answer.

CORRECT METHOD

WRONG METHODS

If you want to change your answer you must cross out your original answer as shown.

If you wish to return to an answer previously crossed out, ring the answer you now wish to select as shown.

0 1

A school teacher asked her students about their last family holiday.

Amir described all the activities he did and all of the people that he met.

Jane told her teacher some of the foreign words she had learned and their meanings.

David showed his teacher how he had learned to ride a bike on his holiday.

Outline and explain the type of long-term memory used by **each** student.
